Lesson #13
Abimelech; Isaac (Genesis 20-21) Wednesday, 2/20/2019

1. What Abraham said of Sarah in 20:2 was true, according to 20:12, but did that justify it? Why or why not?

2. Because Abimelech took Sarah as his wife, what consequences did God prescribe upon him and his household (20:3-7,18)? How did Abimelech respond when the Lord brought these to his attention?

3. When confronted by Abimilech, Abraham made three excuses (20:11-13). What were they, and what was wrong with each excuse?

4. We see Abraham here repeating an act that appears to demonstrate weakness in his faith (20:2; 12:10-20). What things can ***we*** learn from this action of Abraham?

5. What is the significance of the events in 21:1-8?

6. Summarize the story of Ishmael after he was sent away from Abraham's house (21:9-21). What do we learn from Hagar's interactions with the Lord?
