

# Lesson 10

# I Timothy 5:17-25

---

Responsibility: Elders and those in sin

Sunday June 4, 2017

Note: I purposely skipped vs 23 since we already covered this topic in a previous class; I am more than happy to continue any discussion or answer any questions later in an individual setting so we can focus on the other scriptures in this class period.

1. Verses 17-18
  - a. What is "double honor"?
  - b. Doesn't this conflict with I Tim 3:3 ("free from the love of money") and Titus 1:7 ("not fond of sordid gain")?
  - c. What is the underlying principle at work? (See Deut 25:4, I Cor 9:1-14)
2. Why would the instruction of vs 19 be important – what could occur if this wasn't followed?
3. Describe in practical terms what would happen in vs 20 – who is involved, what occurs, what is to be the purpose & intended outcomes, etc.
4. What is the clear and underlining statement in vs. 21? Why is this so important?
5. What does vs 22 mean?
6. Summarize and restate in your own words verses 24-25 and be prepared to discuss.
